PRESIDENT'S MESSAGE

By Krissie Heuer

Well, your Board is already hard at work!

We had our Board Retreat Sunday afternoon, September 24, 2006. Your new Program Director, Christy Berryman, has wonderful plans in the works for the coming year; your new Ways & Means Director, Jane Liddell has plans for some fun events and the entire Board is enthused and working together to make this a terrific year. Please lend them your support and I know you will reap the rewards. I am really looking forward to working with this exciting, dedicated group of ladies!

Remember, we are here to serve you, our membership. Please contact any member of the Board with *special requests, concerns* or especially any *praise!* We want to make this a memorable year of pursuing our EWI mission and to have some fun along the way. With this in mind, I want to remind you that our Board meetings are open. We invite any of our member representatives to join us any month that they wish. I would ask that you let Rose Ann Bradley, our Sergeant-at-

Arms know if you would like to attend so that we may plan for your visit. We will normally meet on the Saturday prior to the regularly scheduled monthly meeting although this is subject to change from time to time.

PRESIDENT'S MESSAGE

(continued from page 1)

The 2006 Leadership Conference and Annual Meeting was very motivating. There were wonderful speakers and great ideas. I encourage each of you to try to go at least once in your EWI career. You will be hooked! This is a week where binding friendships and memories are made with your local representatives as well as members from other chapters. Sharing ideas and coming together to discuss issues brings a new dimension to the EWI experience.

Our Reading Rally is shaping up very nicely. Lori Ducey and her Philanthropy Committee have worked very hard to make this a superb experience for the children who will attend. It will be held Saturday, October 14, 2006 at the Hollywood Community Center beginning at 10:00 a.m. This will be an entertaining and educational experience for the children and rewarding for the adults who attend. Many of our member firms and representatives have committed their time and funding to this event and it is very much appreciated. Along with the program, we will be dedicating a learning room at the civic center which we will leave for the children and the center's use. My hat is off to all of the people who worked so hard to make this a success!

Hop on board for a fun year and let's get started!
